Student Council Elections Tomorrow

Legislative Committee Has Chosen Complete Slate of Candidates For All Elective Offices

In tomorrow's forthcoming elections for the heads of the Students' Union of Western Canada High School many worthy candidates will participate. They were nominated by a special nominating committee comprised of members of the Legislative Assembly of the school. The Legislative Assembly is composed of the elected Room Representatives. This committee in conjunction with Mr. Woodman and Mr. Johnson has carefully selected its candidates from the student body.

Those slated for the President's position are Bill Johnston, John Irving and Clarence Collins. To fill the Vice-President's chair are Perren Baker, Bob Munson and Leigh Williams. For Secretary, Bernice Ireland, Shirley Plummer and Stewart Sinclair. Those nominated to act as Treasurer in conjunction with Mr. Fountain are Reata Fasman, Robin Corbett and Gordon Weir.

VOTING

1. Votes will be on a 1, 2, 3 basis, in order of choice.
2. The voting is for the individual, not the party, i.e., you may vote for any candidate for any office, but it is not necessary to vote one party only unless you so desire.

"THE COLLEGIATE INDEPENDENTS"

Slate of Officers — Clarence Collins, president; Leigh Williams, vice-president; Bernice Ireland, secretary; Gordon Weir, treasurer.

The students of Western will, of course, realize that this publicity campaign is a school interest project. It is to make the student see clearly the importance of the election.

"THE RADICALS"

Slate of Officers—Bim Johnston, president; Bob Munson, vice-president; Stewart Sinclair, secretary; Reata Fasman, treasurer.

With an enrolment of over 1,700 students our school should be the largest in the province.

"THE CAMPUS PROGRESSIVES"

Slate of Officers—John Irving, president; Perren Baker, vice-president; Shirley Plummer, secretary; Robin Corbett, treasurer.

Seeking office in the election of the Students' Council of this school is the above slate of officers. Acquaintances of these candidates will undoubtedly realize the merit of those named, individually and collectively! The Students' Council is unquestionably the foremost function of the school, hence its offices should be filled by the most responsible students who have a capacity for presenting and fulfilling measures which might benefit the school.

At the present time our election platform is being withheld because we wish all the time possible to be spent in the election.

LADIES AND GENTLEMEN ???

THE election of the members of the Students' Council executive will take place today. In past years the candidates for student offices have been subjected to "razzing" and "heckling" during the course of their speeches, which practice has served to discourage responsible students from running. However, this year's candidates are of an unusually high quality. They are all good workers, deeply interested in moulding a good school spirit and willing to co-operate in the large task of running Western Canada's largest high school.

No doubt some "wise guys" will attempt to heckle speakers in today's elections. It would be too much to expect that these loud mouths would confine themselves to applause. No, they must be the life of the party, and because their

limited intelligence and popularity does not permit them to contribute to school life in a constructive manner, they make it difficult for the speakers who are attempting to be of service.

Now, these small-minded, nit-witted, egotistical individuals are only a very few in number. They are not representatives of our student body. The average student will want to listen and select his choice for office with care. So, please remember, you are ladies and gentlemen. Do not encourage these ill-mannered persons who are trying so hard for a laugh. Give each candidate the consideration you yourself would desire were you so honored as to be nominated for these all-important offices.

A CHALLENGE TO WOMEN-HATERS

ELSEWHERE in these lily-white columns there appears an article "Essay On Man" submitted by a female student of the institution. The masculine section of the "Mirror" staff was roused upon seeing these derogatory remarks, and decided that this could not pass without an answer.

Should they appoint themselves defenders of masculinity and refute these feminine sneers? No! It is a matter of grave concern to every man worthy of the name, therefore it was decided to throw the contest open to any Western male student. The winner will receive a prize of \$1.00. It must be original and not exceeding 250 words. No staff member is eligible. The deadline for this is next Wednesday night. Turn your compositions in to the paper office before then.

Who will come forth and defend not only Canadian manhood but manhood throughout the world? Who will cast aside his shining armour and the bonds of convention and hit the women? Who is the great leader? Who will come from

Junior Red Cross Make Weekly Visits to Children's Hospital

Each Friday evening from 7 until 8 o'clock an eagerly anticipated visit is made to the small patients of the Junior Red Cross Hospital. Three girls from the Junior Red Cross organization of this school spend an hour each week at the hospital in an effort to brighten the weary days of these unfortunate crippled children, by entertaining them with stories and games. The girls are putting a great deal of time and energy just now into the preparation of a Christmas Concert which will be put on Friday, Dec. 23rd. They are also planning a gift for each child.

The work of the organization also includes a special treat for the disabled soldiers who will spend their Christmas at the Belcher Hospital.

The wrapping of hampers and parcels which are distributed in connection with the CJCJ Xmas fund has also been made the responsibility of this ambitious group.

BOYS' HI-Y DISCUSSES PERTINENT QUESTION

A topic discussion was held at a recent meeting of the Boys' Hi-Y regarding the "Persecution of the German Jews." This discussion was led by Jack Stevens and was entered into by all the members very well. Some of the questions were:

1. What is the purpose of this wide discussion?
2. What should be done about these people in such desperate straits?
3. Should Canada accept some (a few) or a majority?

Programs Well Planned for Hi-Y Meetings

The Girls' Hi-Y, in co-operation with the Girls' Senior Household Economics Class, sponsored a very successful banquet in honor of the rugby teams. The tables were tastefully designed, the flowers donated by Mr. Steele and the decorations were in the school colors, red, green and gold.

This year Audrey Buchan, Vivian Gilliland, Vivian Holmes, Audrey Innes and Jean Perkins, president, are the Western Canada representatives to Kappa Gamma. This organization, with Louise Thirlwell as mentor, is made up of students from the different city high schools, Mount Royal College and Normal. Its meetings take the form of weekly suppers at the Y.W.C.A.

Extremely well planned meetings have been the program so far this season. Among the speakers who have been guests of the Hi-Y was Miss Mary Quiss, who presented an up-to-the-minute discussion on "Hair Styling."

Miss Margaret Irving spoke to the members of the "A" group of the Junior Hi-Y on the subject of "Household Economics."

Mr. Gislason, the speaker for "B" group, gave a paper on "Psychology." This group, under Bernice Ireland, is planning for Christmas hampers.

So that the members of the Junior and Senior Hi-Y may become better acquainted a social evening is being planned for the Christmas holidays.

It was decided by the Club to continue the discussion the following week under the leadership of Jack Beavers and Bill Johnston.

Jim Harding wins Scavenger Hunt

The Camera Club is pleased to announce that Jim Harding was winner of the Picture Scavenger Hunt. Some of his "shots" consisted of (1) a well-known Western girl being kissed by a boy in front of the Palace Theatre; (2) Al Neal and his girl friend; (3) Mr. Irwin holding his hat.

These taken were real pictures and watch the bulletin board for the winners, which will be posted. There are great plans ahead for the Club, so all members turn out. You will be missing something if you don't.

FEMININITY ASSERTS ITSELF

Pauline Powers, the lone girl member of the Radio Club, was elected secretary-treasurer, to fill the place of Herbert Russell, who resigned. Two dollars of the club's funds were voted to the station manager, Johnny Veers, at the meeting on Monday, Nov. 28, to buy equipment. Mr. Allen donated a couple of tubes which were very much appreciated.

OMEGA SIGMA TAU PLANS TO BUY TROPHY

An electric razor is up for raffle. Who will win it? At a gathering held at the residence of Bill Lee, it was decided to hold a raffle on a brand new guaranteed electric dry shaver. The purpose of this is to obtain funds for a trophy for this school. A price for raffle tickets was agreed to at 10 cents per ticket. Like all other fraternities and sororities, arrangements are being made for a real good New Year's party.

Hockey Meetings Friday, Dec. 9th

First Game In January; Team To Practice At the Crystal; Mr. Foster Is Coach

Plans for the Senior High School Hockey season will be laid at a meeting in W18 on Friday,

MR. G. W. FOSTER

Last year managed the Senior hockey team which won the Interscholastic Championship and already has prospects in sight for another winning team.

Dec. 9th. Mr. Foster will again be coaching the team. All those interested in Senior hockey are invited to attend the meeting.

Practices will start next week at the Crystal rink, if satisfactory arrangements can be made.

This season the league will start the second week in January instead of during the Christmas holidays, as has been the custom. Mr. Foster said when interviewed: "We have decided to move the league opening to the second week in January because we have found that playing during the Christmas holidays has not been satisfactory. There are too many outside activities then and hockey doesn't get the support it should."

The league will again consist of teams from St. Mary's, Central, Crescent Heights and Western Canada. The schedule has not yet been drawn up, but the clubs will play each other twice, making a 24-game schedule. The two top

BADMINTON POPULAR AMONG WESTERNITES

About 50 enthusiastic badminton players attended the meeting in the gym last Monday. The four courts were in continual use by the mixed doubles. Each of the three groups occupied the courts for 15-minute periods, and then a new group of 16 players would take the floor.

A few of the girls whose playing caught the observer's eye were E. Beatty, G. Chandler, A. Newman, A. Valk, M. Rost and M. Grogan.

Prominent among the boys were R. Newstead, D. Nash, K. Harris, J. Macdonald, D. Beil, F. Newland and F. Jamieson.

FINE TURN-OUT FOR BOYS' BASKETBALL PRACTICE

About 35 boys turned out to basketball practice last Tuesday, and after preliminary warm-ups, including shooting, passing and dribbling, Coach J. Souther held the first practice games of the season.

In actual competition Mr. Souther used six teams, in three short sessions in which he got a line on his players. Although still in its preliminary stages, the squad didn't show too badly and promises improvement in the future.

Three of last year's stars, Bob Wrathal, Jim Gulick and Doug. Smith, showed the best form of the evening. Also prominent were Cecil Kindt, Bill Allan, Bob Wilson, Stewart McNeill, Jack Beaver, Johnny Gordon, Frank Jamieson, Ross MacLachlan and Al Lust.

teams will meet in the play-offs, a best of three games affair.

Juniors Expected To Win Top Honors With More Weight and Experience

Mr. Parry, coach of Western's Junior hockey team, has called an organization meeting for Friday, Dec. 9th in Room E4. All Junior players are invited to attend.

A Junior hockey player must be under 18 years of age on Dec. 1st, 1938, and must not weigh more than 120 pounds.

Western Juniors won the championship two years ago, but lost out last season. In the coming campaign it is hoped they will regain their former laurels. Indications point to a great season, as last year's squad will be practically intact. With more weight and experience this year the team should come out on top.

Mr. Parry urges that more candidates turn out for the goal and defence position, as last year there was a dearth of players trying for these positions. Come on, you Juniors, let's go out and win a championship!

Women generally speaking, are generally speaking.

Popular Ex-Western Student Writes to Mirror from Colorado

**Former President Of "Pep
Club" Having Good Time
At Colorado School**

Sam Geffen

A letter was received this week by a member of the "Mirror" staff from Sam Geffen who graduated from Western last year and is now attending the Colorado School of Mines at Golden, Col. Sam will always be remembered by the Student Body of his graduating year for the enthusiasm, energy and support he gave to all social and sport activities at Western. He writes, in part, as follows:

"I received a letter from home today and in it was No. 2 copy of the Western Mirror. Boy! Was I ever glad to get it; it took me back to the good times I had at Western and the fine bunch of students who attended that school.

"Well, this is sure some place. Scholastically it ranks among the first ten Engineering Schools of the world and as a mining and petroleum school it is first. It is hard to get in here. The Dean told me yesterday that out of 850 students who applied this year only 207 were accepted, so I guess I was lucky to get in.

"They work us to death here. Lectures from 7:45 a.m. to 3:40 p.m., after which we spend six hours, sometimes more, studying. We get exams left and right and we go through a course in no time. The pass mark is 70 per cent, and in order to graduate you must have a 'B' (75-86 per cent) or better. They graduate about

one-third of the students; the other two-thirds 'flunk-out'.

"There are 750 students here and every State in the Union is represented as well as many foreign countries. There are 18 Canadians registered this year.

"We have lots of fun, even if we do have to work hard. No person ever dresses up or shaves. Beards, dirty old corduroy pants, big boots, and woollen shirts are the popular mode of attire. Some boys wear boots and breeches. Freshmen are distinguished by a green coal miner's hat with '42' painted on it. The Sophs are hard on us, but we are plenty tough this year and hand back as much as we take. Each week we have to run the gauntlet and when you get smacked about 600 times with a heavy left, your poor pants get hot and sore. I bet I could sit on a hot stove and not feel it, I am so calloused.

"We have a good football team, only those who are scholastically able are allowed to play. I am manager of the Freshman team and travel around with them. Last week we beat the New Mexico Normal University 60-7; the week before we took Chardon Nebraska U. 13-0, but lost the opener with 'Colorado Aggies' 12-7, although we were the better team (I don't mean maybe).

"Will close now. Would like the fellows of the 'old bunch' to write me, and I'd sure like to receive the Mirror."

Sam's name and address will be placed on our mailing list, and we assure him it was a pleasure to hear from him.—Ed.

"That's me all over," said Ed. (The Tank) Bankouski, as he dropped the case of dynamite.

PRIZES FOR ACATEC LITERARY CONTEST

Students are reminded of the Literary Contest for the Year Book. Prizes are: 1st, \$1.50; 2nd, \$1.00; 3rd, 50c. This is something to really try for. Winners will not only receive the money, but will also have the pleasure of seeing their articles in the Year Book as well. So come on now and give this prize-winning contest all you've got.

GIRLS' BASKETBALL

The following girls were out to practice last Tuesday: Audrey Valk, Margaret Peck, Irene Powlen, Gayl Arbogast, Edna Leggatt, Gladys White and Ruth Godwin. Gayl Arbogast has the makings of a real star.

Hockey Meeting

(Continued from Page Four)

Last year Western Seniors won the High School Hockey Championship without much trouble as they trampled St. Mary's 9-0 and 9-2 in the playoffs. They lost only one game and that was by a score of 2-1. Western had little respect for their opponents as they rode roughshod over everything in the league. Much credit for the team's success goes to Mr. Foster. It is hoped that they can win in the same impressive style this year.

Some of last year's stars who will be lost to the team are Taylor, Gainor, Perry and Johnny Richardson, famous golfer and star Western athlete, who is attending University of Southern California.

"Although we have lost several players," said Mr. Foster, "we shall have a good team this season."

Everyone interested in Senior hockey is urged to attend the meeting on Friday, Dec. 9th in Room W18.

An Essay on Man

Men are what women marry. They are divided into three classes—Husbands, bachelors, widowers.

A bachelor is a man whose mind is filled with suspicion.

Husbands are of three varieties—Prizes, surprises and consolation prizes.

Making a husband out of a man is one of the highest arts known to civilization. It requires science, patience, persistence, faith, hope and charity.

If you flatter a man you frighten him to death. If you permit him to make love to you, he gets tired of you in the end; and if you don't he gets tired of you in the beginning. If you believe all he tells you, then he thinks you are foolish, and if you don't, then he thinks you are a cynic.

If you wear gay clothes, and a startling hat, he hesitates to take you out. If you wear a little brown turban and a tailored suit, he takes you out and stares

all evening at a woman in gay colors, rouge and startling hat.

If you join the gaieties and improve of his smoking and drinking, he says you are driving him to destruction; if you don't approve, he vows that you are snobbish.

If you are the clinging vine type, he doubts whether you have any brains, and if you are a modern, advanced and intelligent woman, he doubts whether you have a heart.

If you are silly, he longs for a bright mate, and if you are intelligent and brilliant, he longs for a playmate.

Most men are like worms in the grass—they wriggle around for awhile—then some chicken grabs them.
